Dear Customer,

Greenwoods Hotel & Spa is a beautiful 4\* boutique hotel located in the village of Stock just 40 minutes by train from London Liverpool Street. This Grade II listed building is surrounded by stunning gardens making Greenwoods diverse facilities an ideal venue for birthday parties, private lunches, dinner, baby showers and any other function request.

Greenwoods boast three function rooms; the Library, Boardroom and Garden Suite. The largest of the three, the Garden Suite seats up to 220 people and includes a covered walk away from the hotel making it the ideal room for any conference or private dining event.

In addition to the Garden Suite we have two further function rooms – the Library and Boardroom. These rooms are ideal for smaller private parties, afternoon tea groups or private dining. Both rooms have natural daylight and can be used either separately or together as they are interconnected. Due to the rooms being interconnected we can have the library and boardroom as one and hold up to 100 standing for a buffet and evening disco. The Library has a raised stage area whilst the Boardroom has original French doors leading out onto the terrace overlooking the gardens.

Greenwoods 39 bedrooms provide the perfect addition to you function with the option to stay overnight in one of our classic bedrooms. In addition overnight guests have full use of our spa facilities (which include a 20m swimming pool, sauna, steam room, Jacuzzi, relax room and state of the art Gymnasium with Power plate machine) from check in till check out.

Greenwoods beautifully landscaped gardens provide the perfect environment for summer functions with space for large group outdoor activities. Whatever your personal requirement may be please contact one of our events staff and they will be more than happy to help you.

I hope the information in this pack covers all your needs. If you require further information or would like to visit Greenwoods, we would be delighted to meet you and show you around.
